

CAPE CORAL SHRINE CLUB MAY 2009

What a wonderful way to start the spring season with a fun and busy month of April.

Thanks to Harry and crew for serving a delicious picnic. We had a great time and good attendance.

We had a successful paper drive where we raised \$406.00 + for the Shrine Children's Hospital. Thanks to all Klassy Kar and C.C.S.C. members for their participation.

Kudos for all Clubs and Units for their participation at the Circus.

The Araba Ceremonial brought in 14 new members. I hope we can invite them to CCSC. If you know one, be sure to bring him to our Club.

A LOT OF GOOD THINGS HAVE HAPPENED AT THE CCSC OVER THE PAST 2 YEARS. YOUR LEADERS HAVE POURED THEIR HEART AND SOUL INTO THE CLUB TO MAKE IT ONE OF BEST PLACES TO HAVE A WEDDING RECEPTION, A BIRTHDAY PARTY, A GET TOGETHER, OR JUST A SUPER PLACE TO COME TO FOR ANY TYPE OF GET TOGETHER.

IT SEEMS THAT BASICALLY THE SAME PEOPLE COME TO THE CLUB AND TO THE STATED MEETINGS.

WOULDN'T IT BE SUPER TO HAVE SOME OF THE MEMBERS WHO HAVEN'T BEEN TO THE CLUB FOR A WHILE COME OUT AND SEE THE CHANGES THAT HAVE BEEN MADE. AFTER ALL THIS IS YOUR CLUB.

COME OUT & SUPPORT YOU CLUB.

HOW TO NOT LOCK YOUR CAR AND WHY!!!!!!!!!!!!!!

I locked my car --- as I walked away I heard my car door unlock. I went back and locked my car again, three times. I looked around and there were two guys sitting in a car in the fire lane next to the store. When I

looked straight at them they did not unlock my car again.

How to lock your car safely:

While traveling, my son stopped at a roadside park. He came out to his car less than 4 - 5 minutes later and found someone had gotten into his car, and stolen his cell phone, laptop computer, GPS navigator briefcase...

He called the police and since there were no signs of his car being broken into - the police told him that there is a device that robbers are now using to clone your security Code when you lock the doors on your car using your key-chain locking device.

They sit a distance away and watch for their next victim. They know you are going inside of the store, restaurant, or bathroom and have a few minutes to steal and run. The police officer said to manually lock your car door-by hitting the lock button inside the car, that way if there is someone sitting in a parking lot watching for their next victim it will not be you..

When you hit the lock button on your car upon exiting...it does not send the security code, but if you walk away and use the door lock on your key chain - it sends the code through the airwaves where it can be stolen.

Something totally new to us...and real.

Be aware of this and please pass this on...look how many times we all lock our doors with our remote...just to be sure we remember to lock them...and bingo someone has our code...and whatever was in the car...can be stolen.

Seniors Giving Birth

With all the new technology regarding fertility recently a 70-year-old woman was able to give birth. When she was discharged

from the hospital and went home, her relatives came to visit.

"May we see the new baby?" one asked.

"Not yet," said the mother. "I'll make coffee and we can visit for a while first." Thirty minutes had passed, and another relative asked, "May we see the new baby now?"

"No, not yet," said the mother.

After another few minutes had elapsed, they asked again, "May we see the baby now?"

"No, not yet," replied the mother.

Growing very impatient, they asked, "Well, when can we see the baby?"

"WHEN HE CRIES! She told them.

"WHEN HE CRIES?" they demanded. "Why do we have to wait until he CRIES?"

"BECAUSE I FORGOT WHERE I PUT HIM. O.K.?"

DON'T MESS WITH KIDS

A teacher was giving a class on the circulation of the blood. Trying to make the matter clearer, she said, "Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face"

"Yes," the class said.

"Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?"

A little fellow shouted,

"Cause your feet ain't empty."

A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work.

As she got to one little girl who was working diligently, she asked what the drawing was.

The girl replied, "I'm drawing God."

The teacher paused and said, "But no one knows what God looks like."

Without missing a beat or looking up from her drawing, the girl replied, "THEY WILL IN A MINUTE."

A Sunday School teacher was discussing the Ten Commandments with her five and six year olds.

After explaining the commandment to "honor" thy Father and thy Mother, she asked, "Is there a commandment that teaches us how to treat our brothers and sisters?"

Without missing a beat one little boy (the oldest of a family) answered, "Thou shall not kill."

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink.

She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head.

She looked at her mother and inquisitively asked, "Why are some of your hairs white, Mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white."

The little girl thought about this revelation for a while and then said, "Momma, how come ALL of Grandma's hairs are white?"
